A49

World-renowned for its premium luxury, Sukhumvit now crowns a dazzling new icon at Hyde Sukhumvit 11. The term 'pinnacle' perfectly describes the cluster of nine bright spires that cap the crest of this stately tower gracing the Sukhumvit skyline. Without doubt, the designers at A49 intended these magnificent "crystal - like" peaks to symbolize a steep ascension to the summit of residential elegance, and that's exactly the effect they've achieved.
